

2024-2025 EnMotion Twirl Co. Competition Team Financial Obligation

In order to provide the strongest, most competitive teams to our EnMotion families, communication is very important to both individual and team success. We strive to have a positive relationship with the surrounding schools, majorette sponsors and coaches. If an athlete is also involved in a school related twirling or athletic program, we ask that each family speak with the coach/sponsor to ensure that the communication stream is open with EnMotion Twirl Co.. It is essential for the continued success of our program and its athletes.
